Sir,

I have the honour to state that the Sub Assistant Surgeons of Ajjampur and Bukkambudhi attended to the Mass-inoculation work at Ajjampur when plague broke out at the place. It is reported that 2382 persons were inoculated during the period from October 1944 to February 1945. The Ajjampur Minor Municipal Council, has resolved at its meeting held on 31-5-1945 that an allowance of Rs.40/- may be granted to the two doctors for attending to the special inoculation work, the expenditure in this behalf, being met out of the provision made under "Plague and Cholera charges" of the sanctioned budget of the Municipality for the current year. I request that sanction of Government may be kindly obtained for the resolution of the Municipal Council in question. The connected records are enclosed for reference.

I have the honour to be,
Sir,
